YELLOW DOG Partners with People Report for Summer Camp

Minneapolis, MN –YELLOW DOG Recruiting is proud to announce its partnership with People Report.

“People Report is the restaurant and hospitality industry’s foremost analytics company. YELLOW DOG understands talent, and who better to align yourself with than an organization that studies the trends we are affected by every day?” noted David Rose, Vice President of Recruiting.

People Report takes a lot of pride in introducing and connecting its members and conference attendees to some of the savviest brands and workforce technologies that support the service sector workforce.

The People Report Workforce Symposium was created by and for HR leaders and operators, who recognize that the workforce challenges that we face today are tougher than ever.

YELLOW DOG is a sponsor for this year’s Summer Camp on June 8-10. This unique conference is about what you need to know and to be doing NOW, to position yourself for a bright future.
